Follow the Flock Questions

The Society would like to give members the opportunity to get to know each other and their flocks a bit better. We have therefore decided to introduce a "Follow the Flock" feature for a bit of fun! The idea is that periodically we feature a member's flock on the website and social media based on their answers to the questions below. Following the cancellation of most shows we hope this will become a useful way for members to keep in touch. We will require answers to some of the questions below and ask you to return them to Linda Bull with a maximum of 4 photos.
