How to do Sale entries via Grassroots

Log into Grassroots in the normal way via the breed society webpage or direct via

Breeds.grassroots.co.uk/KHFBS using your flock letters and your password.

Click on the menu Icon top right

Select **Sale Entries**

Double click on the correct sale from the list offered

A list will be displayed of all the animals in your ownership in the registry.

There is a box alongside each animal with a drop down list of the classes they are eligible for. These classes are filtered by sex, age and registration status. Select MV or non MV in each case.

NB if the animal has '**no matching sale class**' check its registered status. Only fully registered animals are eligible for Kerry Hill Flock Book Society sales. If their registration number begins BN you will need to apply to fully register, and pay for the registration before they can be entered into a sale. These applications and payments have to be processed, it does not happen automatically.

If they are fully registered but still have 'no matching sale class this is likely to be due to their age; either too old or too young.
